## Read This Before Ordering

We exercise the greatest care to have everything true to name and will replace free, or refund the money, on any stock untrue to name. If for any reason you are dissatisfied with the stock, when received, return it and your money will be refunded.

We now occupy our own specially built storage warehouse which is one of the finest in the United States. These bulbs are the purest and best that years of experience and favorable growing conditions can produce.

### TERMS

Net cash before shipment; 25 per cent deposit will hold orders until shipment. Orders not fully paid will be sent C. O. D. for the balance, at the time for shipment to your locality. Money orders and checks drawn in foreign currency will be credited at the amount for which they are paid.

### THRIP

The bulbs are guaranteed free from thrip. We treat our bulbs in storage and will ship packed with naphthalene flakes if requested. We advise everyone to treat the bulbs he plants with lye or corrosive sublimate. Directions will be packed with your order if you are not familiar with these treatments.

### DISCOUNTS

For price of 10 bulbs, divide 100 price by 9. Less than 10 bulbs sold at the same rate, but no item less than 10 cents. Thus, 3 bulbs at \$3.00 or \$3.20 per 100 are 10 cents. 3 bulbs at \$3.60 per 100 are 12 cents and 3 bulbs at \$4.00 per 100 are 13 cents. 25 or more bulbs, one size and variety, are sold at 100 rate.

Any quantity of bulblets at 100 or 1000 rate, but no item less than 10 cents.

If you use bulblets by peck or bushel or large quantities of planting stock, write for special quotation giving variety, size and quantity.

### ORDER CHANGES

It sometimes happens that we are out of the size you order, but have other sizes in the same variety. Please state if you wish us to send another size or variety if out of what you order. You will always receive liberal value for any change.

### SHIPMENT

Domestic orders for \$2.00 or more and foreign orders for \$5.00 or more from retail list will be prepaid anywhere in the world reached by 14c a pound postage rate.

A service charge of 25 cents will be made on domestic orders of less than \$2.00 and foreign orders of less than \$5.00.

Transit charges and special services will be charged at cost.

Express shipments to states or countries maintaining terminal inspection will be prepaid to inspection point.

Items from prepaid and wholesale lists may be combined in one order. We will pay the charges on the prepaid portion of the shipment.

Orders for \$15 or more can be sent at any time in U. S. A. by express. Orders held for spring delivery will be shipped as weather permits. Local and Pacific Coast orders can be sent at any time.

All stock offered and orders accepted subject to prior sale and causes beyond my control.

### PREMIUMS

Extra bulbs, our selection, will be added to your shipment for the names, new to our list, of your friends that grow 500 or more Glads. These will be selected from importations and newer kinds to avoid duplicating varieties that you have.

### REGALE LILY SEED

One-half ounce, about 2000 seeds, 10 cents; one ounce, 15 cents; one pound, \$2.00. Four ounces or more at pound rate, all prepaid.

### TREE LABELS

Something just a little better. Wide enough for two lines written or printed. Copper wired and painted. 10 cents for 20, 45 cents per 100, prepaid. 35 cents per 100 or \$3.00 per thousand with F. O. B. orders or separate shipments. Labels pack at 6 lbs. per thousand.

# No Single Bulb Over Fifteen Cents

We endeavor to give you first class bulbs at a price you can afford to pay. Our whole planting is under Skinner overhead irrigation, which we believe to be the ideal way to raise your glads. This system makes high crowned bulbs which we know have more vitality than others commonly called "Pancakes." It is our constant object to furnish our customers with bulbs unequaled in vigor and purity.

The following are varieties that have proven themselves to be leaders in the glad world today. Every one a prize winner. Amador, Red Lory, Triumphator, and Wurtembergia are excellent reds. Quality, Frederick Christ, Schwaben Girl, and Irene are pinks that cannot be beaten when grown well. Tobersun, Mrs. H. McClaren, and Loyalty are yellows that will not wilt when cut. Pelegrina, Libelle, and Blue Danube are all threats for the blue class. Maid of Orleans and Albatros are running a race for the best white. Picardy and Mildred Louise are both gaining many friends. Wasaga is one you can't miss. Try them all and judge for yourself at these reasonable prices.
